1. The Division Office of DepEd Office - Baguio City is pleased to announce the participation of DepEd Office - Baguio City in the 2023 EDTECH CONGRESS IN ELEMENTARY. The congress is a two-day event that will be held from February 9 to 10, 2023, at the Baguio Convention Center. The congress is a great opportunity for elementary school teachers to learn about the latest trends in technology and education. The congress will feature various activities such as seminars, workshops, and networking opportunities. The congress is free of charge and open to all elementary school teachers in the Division Office of DepEd Office - Baguio City.
